How it Works

Teams of four register and begin peer-to-peer fundraising to hit their team's fundraising goal prior to race day.

On race day, teams show up in costumes and relay race adult-sized trikes in a tournament bracket.

Prizes are given for tournament winner, first team, best costume and highest fundraising team!

Who it Supports

Your support of this event allows CHSC to serve thousands of children and adults each year through free/reduced cost programs.

CHSC is the nation's oldest hearing and speech center and Northeast Ohio's only nonprofit organization dedicated solely to serving those with special communication needs.

Fundraising

Over the past 9 years, New Partners has raised over \$270,000 for support of CHSC programs and services.

By participating, sponsoring or donating, each person, family and organization gives the gift of communication to those who need it most.
