Unlocking Success for Those We Serve

COMMUNICATION IS KEY

How many times have we heard this phrase? Or even said it ourselves? Communication is key. It's the key to unlocking your potential, it's the key to success and the key to having meaningful relationships.

The ability to communicate is a basic human need and critical to the most important connections in our lives. For too many people in our community, communication disorders and deafness create barriers to vital engagement at home, school and work. Cleveland Hearing & Speech Center (CHSC) is here to change that.

Each year, we serve thousands of infants, children and adults, empowering them to communicate more effectively and advocate for communication access. We help individuals with issues such as stuttering, hearing loss, deafness, speech sound disorder, apraxia, language disorder, reading disorder, neurodegenerative diseases and stroke recovery. Our vision is to create a community in which everyone can communicate effectively.

CLEVELAND HEARING & SPEECH CENTER KEYHOLDERS

CHSC's Keyholders are a group of donors who give a recurring gift each month. Joining Keyholders represents your commitment to providing regular, ongoing support of those in our community who benefit from our communication services.

Becoming a Keyholder is simple, easy and convenient! You commit to a monthly giving amount and our development staff takes care of processing your gift via credit/debit card or EFT each month. Your information is securely encrypted with our online gift processing gateway.

Membership in Keyholders is rewarding and creates sustainable giving for CHSC. Your recurring gift helps CHSC budget for current projects and new opportunities by providing consistent and reliable funding for our most pressing needs.
